Chicago Org Fund
BS Special Fund

Dear Sir and Brother:

With reference to the Joint Council Special Fund, that has been in operation in Chicago since the days of President Beck, please be advised that nobody connected with the Joint Council has anything further to do with this fund. I talked with Ray Schoessling today and he and I agreed that this fund should be handled out of my office in place of his for the reason as outlined above.

I understand from Bill Mullenholz that this fund will be started on the basis of our expenditures for the months of July, August and September and that each month the fund will be replenished so that it will never go below the amount expended in July, August and September of 1958.

I also agreed that each month I send in to your office and Brother English's office, an itemized account of the expenditures.

I will cancel credit cards now in operation with the Joint Council Special Fund and will start them off under the name of our new fund, which, in my opinion, unless you feel that it should be changed, should be called the Chicago Organising Fund.

Hoping that this meets with your approval, and with best wishes,
I am

Fraternally yours,

John T. O'Brien
International Vice President
